

### HOW TO GET STARTED

7a

7b

### PLANTING ZONE

Start by confirming the proper planting zone for your garden.

[Find Your Planting Zone](#)

### PLANTING CHART VS GARDEN GUIDES

The Kellogg Garden Zone Planting Charts will guide you in when to sow, plant, and harvest individual vegetables by hardiness zone. Along with your planting chart, we have included resource links to help you grow bountiful gardens.

The Kellogg Garden Organic Gardening Guides include detailed information and resources on how, why, and what to do in your gardens as well as advice on planting, growing, and harvesting individual plants throughout the year.
